Opéra Garnier duplex by Louis Denavaut

(Image credit: press)

Interior architect and designer Louis Denavaut is behind this chic refresh of a Parisian duplex apartment near the city's famous Opéra Garnier. Owned by two artists, the apartment is now flooded with light, its double height living room offering a striking sense of spatial generosity. A white steel mezzanine with a glass floor and a large bleached oak-frame window inserted above makes the most of the high ceilings, and hosts the master bedroom. Here, modern touches blend with the building's Art Deco original character.
